**Kolkata bags top honour for crime and safety**

**The awardees of India Today Best City Awards 2014 in New Delhi.**

It is our proud privilege to share with you that Kolkata has been awarded the best city in the category of crime and safety. This award was presented at the second edition of the India today best city awards 2014 in New Delhi. The award was given after rigorous survey of various cities in India by the India Today group.

The second edition of India Today's "Best City's of India" of India report studied 30 capitals and metro cities and 20 emerging cities on 12 parameters. Our Kolkata emerged as safest city in the country.

While it has been the endeavour of Kolkata police to serve its people in the best possible way, the credit should also go to the people of the city which has made Kolkata to achieve this status. Rightly so, we dedicate this award to the people of Kolkata.
